For: REFRACTION MEASURING INSTRUMENT

Examiner: J. Dinh

RESPONSE TO ELECTION OF SPECIES REQUIREMENT

MS Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the election requirement, applicant hereby provisionally elects, without traverse, the "species" of the first aspect of the invention, covered by claims 1 and 2. The Examiner has indicated that claim 1 is generic, and Applicant respectfully submits that claim 2 depending therefrom is also generic.

Applicant's election is made without prejudice. As noted by the Examiner, upon the allowance of a generic claim, Applicant will be entitled to consideration of claims to not more than a reasonable number of species in addition to the elected species, provided that all claims to each additional species are written in dependent form or otherwise include all the limitations of an allowed generic claim as provided by 37 CFR 1.146.

An action on the merits of all the claims and a Notice of Allowance thereof are respectfully requested.
